THE SENATE

(Continued from Page One.)

all precedent. The resolution should be laid on the table to be considered with the appropriation bill.

Robinson consented to reference to the Health Committee, which was accordingly voted.

Coolha presented a resolution to appropriate \$50 for claim of W. K. Kuleleloa and \$54 for that of J. P. Kenu-puni, being for services performed under the direction of an officer of the Department of Public Works in October and November, 1906.

ORDER OF THE DAY.

Third reading of the Senate bill relating to the uses for which private property may be taken for public uses was first on the order of the day.

Fairchild asked if the right to take land for arsenals, forts, etc., did not already exist under Federal law.

McCarthy explained that the only change in the bill from the present law was the inclusion of school sites and grounds.

President Smith stated that the bill was not necessarily inconsistent with the Federal law. The National Guard of Hawaii might require property, it did not think it conflicted with the Federal law.

Kalama, while the ayes and noes were being called on passage of the bill, asked to be excused from voting. The object of the bill was to include schoolhouse sites.

Coolha called him to order, saying debate was not allowed after a vote was called.

Knudsen quoted the rule requiring unanimous consent before a member could explain his vote.

Silence was taken as consent on the matter being referred to the Senate, and Kalama explained that for some time the Government had been trying for enlarging the grounds of Wailuku High school. He did not want to let it go and it seemed as if the bill was intended for him.

Knudsen having further quoted from the rules that no member could vote on a matter in which he had a pecuniary interest.

The chair ruled that Kalama had a pecuniary interest in the bill and therefore could not vote anyway. (Laughter.)

The bill passed, 14-0.

The House bill to appropriate \$2270 to compensate persons at Kalawao for property taken for the Federal leprosy hospital passed third reading without a dissenting voice.

House joint resolution for the appointment of three commissioners to investigate the fruit growing industry passed third reading.

The bill for the appointment of bail commissioners in each judicial district on second reading was referred to the Judiciary Committee, as was the bill to repeal the law relating to renewal of covenants for sale at auction of public land leases.

At 10:45 the Senate took recess until 2 p. m.

THE HOUSE

(Continued from Page One.)

K—, well, never mind his name, retired to the outer precincts.

What is saving the crowding of the Journal now is the tabling of expenditure resolutions to be taken up with appropriation bills and so keeping committee reports, unnecessary in many cases, out of the record.

Today three bills passed final reading in the House. They were the \$20,000 measure for entertaining visiting Congressmen, the Alaska-Yukon Exposition measure for Hawaii's exhibit, and the bill which seeks to amend Act 108, 1907 Session, in re Maui's supervisory meetings.

SEVENTH DAY

Morning Session.

House Bill 12, introduced by Castro, providing \$20,000 for the entertainment of visiting Congressmen and other distinguished persons, prior to June 30, 1911, was passed this morning in the House on third reading, unanimously.

House Bill 11, providing for Hawaii's exhibit at the Seattle fair, was up for third reading and momentarily deferred until the introducer was present, when it passed unanimously. This is Rice's measure.

House Bill 44, relating to the times of meetings of supervisors, Waiwale's measure, also passed third reading unanimously.

GOVERNOR'S MESSAGE.

The message of the Governor, dated yesterday, recommending an item for a laboratory for the investigation and treatment of leprosy at Honolulu, probably \$5,000 being sufficient, was referred to the police and health committee, following the rule of turning gubernatorial messages over to appropriate committees.

READING OF BILLS.

Senate Bill 4, to provide for bi-annual reports to the Legislature by Counties, passed first reading by title. Senate Bill 17, providing that all government employees must be citizens, Senator Coolha's measure, passed first reading by title. Senate Bill 34, Senator E. A. Knudsen's measure, to make certified copies of public archives receivable in

evidence, passed first reading by title. House Bill 5, to protect purchasers of real estate from fraudulent conveyances, passed second reading.

COMMITTEE REPORTS.

Committee on public lands and internal improvements, reporting recommended that \$38,011.95 be appropriated for the Wailuku-Kahului water works, amending Nawaia's resolution which called for \$25,000; and the committee recommended \$22,609.12 for a Lahaina sewer system, amending Hiblo's resolution which was for \$15,000; and it recommended the passage of Kaloepa's bill to amend Act 99, S. L., 1905, entitled an act providing for roads through and from public lands opened for settlement.

TO JUDICIARY COMMITTEE.

House Bill 14, relating to divorce and separation, introduced by Castro, was on second reading referred to the Judiciary committee.

House Bill 30, to amend the municipal act, introduced by Kaloepa was referred to the Judiciary committee.

EMPLOYEES REPORTED.

Chairman J. N. S. Williams of the Board of License Commissioners, Maui, wrote the House to say that the board had one employee, Inspector Kirkland, at \$100 and one of the members of the board had been elected secretary at \$25. D. C. Lindsay. Mileage fees have not been collected by the members of the board.

Librarian Lydecker sent in an itemized statement of incidental expenditures of the Bureau of Archives.

Chairman C. G. Ballentyne of the Board of License Commissioners, Oahu, reports that the secretary has been instructed to forward information as to employees.

CAMPBELL REPORTS.

Payroll Works Superintendent Marston Campbell reports amounts expended under "general expense" as follows: Office, \$4,631.19; stationery, \$508.39; printing, \$443.55; stables, \$1,729.83; Kapaia school, \$152.50; Nuanu reservoir No. 4, incurred by C. S. Holloway, \$1,079.12.

VAULTS AND WATERWORKS.

Kawewehi put in a resolution for \$1,500 for vaults, Kailua court house, Hawaii.

Makekani entered a resolution for \$10,000 for waterworks at Paupuna, Ekahi, N. Kona, Hawaii.

Marston Campbell, as president of the Board of Agriculture and Forestry and as executive officer, sent itemized statement of all moneys spent by the board under "incidentals and general," a total of \$21,487.63.

Moanuli introduced a bill to amend Section 62 of Act 39, S. L., 1905, by adding a new paragraph "to establish and maintain water and sewer works; to collect rates for water supplied to consumers; and for the use of sewers."

SHELDON'S BUNCH.

Sheldon entered resolutions as follows: \$5,000 for a new filter at intake of Wailua water works, Kauai; \$18,000 for the construction of the Wailua river embankment; \$2,500 for a jail at Wailua; \$1,500 for a jail at Hanalei; \$50,000 for a school at Hanalei.

At 10:45 the Senate took recess until 2 p. m.

POPULAR DEMONSTRATION.

There is going to be a rally of athletes at Halewa when the Marathon walkers reach there. The rally means more than giving the public an opportunity to see an assembly of young men of endurance, it means a demonstration in favor of keeping island roads up to a standard of that between Honolulu. The walk, or race, over the line should be taken as evidence that if the road is good enough to race over it is good enough for automobile riding. Persons desiring accommo-

DOWN ON SPY WITNESSES

Judge Andrade has adopted a rule which will, quicker than anything else, check the practice of employing ex-convicts in police cases. Yesterday one of these spies, who had worked up a Chinese gambling case at Moanalua, had his breath taken away when the court fined the Chinese \$9 apiece and then sent him (the spy) to the reet for ten days. Andrade announced then the court's disapproval of the employment by the detective department of rooks for its spy work.

This morning the operation was repeated. Ten Chinese appeared on the charge of gambling. When the case was called the prosecution trotted out the notorious Ah Loy as the principal witness. He had been the spy to work up the case. Judge Andrade was hot, but he held in until the evidence was all in. He then discharged all of the Chinamen, on the ground that Ah Loy's testimony could not be believed, but stuck Ah Loy for \$3 and costs for being present at a gambling game, taking his own testimony as a plea of guilt.

"This man Ah Loy is so crooked," said the court, "that I believe he would put up a job on the Archangel himself. He has been before the court many times for perjury, and I have no reason to suppose that he has reformed. The court must, in this connection, recommend and insist that such characters as Ah Loy be not brought in again as witnesses."

U. S. JURY COMMISSIONER.

Judge Dole has appointed David Dayton a jury commissioner for the Federal court, in place of Hugh E. McIntyre, absent from the county. A. E. Murphy is the other commissioner, representing the Republican party, and Dayton takes the place of the absent Democrat.

The adjourned annual meeting of Mutual Telephone Co. will be held on March 6.

Harry Armitage, Job Batchelor and C. A. K. Spencer, appraisers, find the value of the estate of the late Elise S. V. Neumann to be \$45,358.81.

The British tramp steamer Murex has postponed her departure until tomorrow morning.

If Mr. Casey will call upon the Secretary of the local Lodge of Elks, at No. 39 Alexander Young Building he will find a cablegram awaiting him.

Miss Maria K. Lo leaves for Wailuku by the steamer Claudine tomorrow afternoon for a brief visit to her relatives. Her friend, Miss K. Kealoha, will accompany her. Partly on account of their departure and partly owing to the fact that the Wailuku company of the N. G. H. is going away the band will play at the departure of the steamer.

Communications should communicate with St. Clair Biddgood, manager.
